

The Thursday Murder Club by Richard Osman

Killing someone is easy. Hiding the body, now that's the hard part. That's how you get caught.

This story of amateur sleuths residing in Coopers Chase, a retirement Village in Fairhaven, was well liked by all – many wanted to put their names on the waiting list to live there when the time comes.

The relationships between the residents were complicated warm and funny with Elizabeth very much in charge of the Thursday murder club.

A delightful novel, I can't wait to start the sequel.
