Home Security Checklist

This time of year traditionally sees a spike in burglaries, so it is important we all take time to think about prevention. The constabulary provide a home security checklist with some guidance notes to help when completing this self assessment. You can view and download the checklist [here](#).

Patlock wins best new product award at the Totally DIY & Tools Show

Neighbourhood Watch partner Patlock, has won an award for best new product for its innovative French door lock at the Totally DIY & Tools Show.

Patlock beat dozens of entries to win the award at the show at the Ricoh Arena in Coventry last month.

Patlock is the home security product and visual deterrent for French doors and conservatories, designed and developed in the UK to combat lock snapping and to deter and stop would-be intruders. Don't forget, you can buy the Patlock at a discounted price through the Neighbourhood Watch partnership. [Click here for more details](#).

Public Liability Insurance

National Neighbourhood Watch have once again secured an excellent deal on Public Liability Insurance cover on behalf of the membership for the year ahead April 2017 – March 2018
