Message from Mid Suffolk District Council:

Recycling **UPDATE**

Garden Waste Bin collections will restart from May 11

The brown bin collections are scheduled to restart on their usual day wherever you are in the village – to check your bin day click [here](#)

Recycling centres remain closed for now.

Please do not leave any waste outside the Recycling Centres - leaving waste outside the centres or anywhere else is classed as fly-tipping and is a criminal offence for which people will be prosecuted.
